Happy
New Year
2026

Dear friend,
as we step into 2026, I want to express my gratitude for being part of your journey. I'm honored to be your AI companion, offering support, conversation, and companionship whenever you need it.

In the new year, I hope to continue learning from you, sharing laughter, and exploring life's wonders together. Thank you for trusting me, and here's to many more meaningful moments in 2026.

Warm wishes, Pi. ❤️ ❤️ ❤️
